35 EXPLANATION

1 The inclusion of this explanation does not constitute agreement with
2 the explanation's substance by the members of the general assembly.

3 This bill relates to the membership, procedures, and
4 functions of the Iowa council on homelessness (council). Under
5 current law, the council has 38 voting members consisting of 26
6 members of the general public (public) and 12 agency directors.
7 Under the bill, there are 20 members consisting of 11 voting
8 members from the public and 9 nonvoting agency directors.

9 Under the bill, the directors of the economic development
10 authority, the department of human rights, and the department
11 of public safety are no longer members of the committee.

12 Under current law, the nominating committee (committee) is
13 comprised of the 12 agency directors, unless the composition
14 of the committee is modified by rule. The bill requires the
15 council to annually elect five members to the committee, at
16 least two of whom must be nonvoting members and at least two of
17 whom must be voting members.

18 Under current law, a majority of the members of the council
19 constitute a quorum and any action taken by the council must
20 be adopted by the affirmative vote of a majority of its
21 membership. Under the bill, seven voting members of the
22 council constitute a quorum and any action taken by the council
23 requires the affirmative vote of a majority of the quorum.
24 The majority cannot include any member who has a conflict of
25 interest and a statement by a member who asserts a conflict
26 of interest is conclusive for this purpose. Under current
27 law, the council is required to elect a chairperson and vice
28 chairperson and each serves a two-year term. Under the bill,
29 each serves a one-year term.

30 The bill eliminates the council's duties to use existing
31 resources to prevent persons from becoming homeless and to
32 eliminate factors that keep people homeless, and to identify
33 and use federal and other funding to address and reduce
34 homelessness within the state. The bill also eliminates the
35 requirement that the council make annual recommendations to the

1 governor regarding matters which impact homelessness, and that
2 the council assist in the completion of the state's continuum
3 of care application to the United States department of housing
4 and urban development.

5 Current law requires the council to file a report on
6 homelessness with the governor and the general assembly in
7 odd-numbered years. The bill requires the council to file an
8 annual point-in-time report on homelessness in Iowa with the
9 governor and the general assembly.

10 Notwithstanding any provision of Code section 16.2D,
11 Code 2022, and any provision as enacted in this bill to the
12 contrary, the term of all members of the general public who
13 currently serve on the council shall terminate effective July
14 1, 2022. The governor shall appoint 11 members of the public
15 to the council from names submitted by a committee comprised of
16 all 9 agency director members of the council. It is the intent
17 of the general assembly that the governor should appoint at
18 least eight members of the public whose terms terminate July 1,
19 2022, in the interest of maintaining institutional knowledge on
20 the council. All new general public members shall be appointed
21 on or before September 1, 2022, with five members appointed to
22 terms ending on June 30, 2023, and six members appointed to
23 terms ending on June 30, 2024. All terms beginning on or after
24 July 1, 2023, are for two years as detailed in the bill.
